I have been blessed to have the opportunity to serve as President of The Gathering’s Board for our 2012/2013 Fiscal Year; a year which has been both incredibly rewarding and challenging for the organization.

We experienced incredible success through our Shelter Meal Program, a partnering with Community Advocates to provide meals to their clientele. This partnership furthered the Board’s strategic goal to serve more of those who need a meal in our community. The success was due to the hard work and commitment of Gathering staff and volunteers to this expanded service footprint.

The Gathering team also continues to faithfully maintain our fundamental ongoing commitment to provide good food in a comfortable and respectful setting to those who would not otherwise eat. It is humbling to see this process at work.

Our mission also faced challenges in 2012/2013 as we felt the changing landscape of charitable giving in the community. Basic needs services such as the Gathering are facing new challenges in maintaining consistent and ongoing funding sources for core operations. In response, The Board has dedicated itself to a vibrant and positive fund development process for current and future years.

To all of you who have supported this mission during the last year, I say “thank you”. Without the support of hundreds of generous donors, the work of faithful staff and the incredible outpouring of volunteer support for this mission, the Gathering could not function. To those of you who live, serve and support the mission of The Gathering, you are the Gathering. None of this can happen without you. God bless.

Hot, homemade meals are served to all who come at no cost to the recipient.

BREAKFAST
50,179 GUESTS (ave 200 guests/meal)
Breakfast is served Monday through Friday at our downtown site, St. James’ Episcopal Church, 833 W. Wisconsin Avenue. The majority of breakfast guests are adult males; 60-70% homeless. Legal, medical and mental health services are provided on site.

DINNER
11,694 GUESTS (average of 118 guests per meal)
Dinner is served Monday and Wednesday late afternoon at our south side location, Christian Faith Fellowship Church East, 724 S. Layton Blvd. Dinner guests come from the surrounding neighborhood; diverse in age and ethnic background.

SATURDAY LUNCH
26,156 GUESTS (average of 513 guests per Saturday)
Saturday lunch is served at the above two sites and at Our Next Generation Neighborhood Center (ONGNC), 35th and Lisbon. Guests at ONGNC are primarily African American with 20-30% children. Lunch is also provided on the 4th Saturday of the month at Mt. Carmel Lutheran Church, 82nd & Center.

OUR NEXT GENERATION COLLABORATION
8,358 MEALS
This tutoring/mentoring program at 35th & Lisbon - one of our Saturday lunch sites - serves a light meal four afternoons each week to program participants of middle school and high school age. The Gathering provides the underlying support for these meals.

SHELTER MEAL PROGRAM (SMP)
53,949 MEALS
The Shelter Meal Program provided three meals every day to residents of three shelters managed by Community Advocates: Women’s Refuge homeless and domestic violence shelters and Autumn West, housing for adult mentally ill. Community Advocates funded the program and The Gathering provided the staffing, food and delivery of services.

ON SITE SERVICES
MENTAL HEALTH PROGRAM
1,121 CONTACTS
A contributing factor to homelessness is mental illness. Our collaboration with the Homeless Outreach Nursing Center focuses on connecting with and stabilizing the lives of the homeless mentally ill. Twice weekly at our Breakfast Program, mental health staff provided information/referral and general screening services to 782 guests and direct mental health services to 339.

MEDICAL ASSISTANCE
39 VISITS
Staff from St. Ben’s Medical Clinic provided blood pressure checks and medical referrals at our breakfast site for 244 guests and conducted flu shot clinics serving 55 guests.

MLK DAY CLEAN UP VOLUNTEERS
LEGAL ASSISTANCE
68 CLINICS
Unresolved legal issues are often barriers to housing and job acquisition/retention. Our collaboration with the Legal Aid Society of Milwaukee, along with volunteer attorneys, addresses such issues at both our Breakfast and Dinner programs. At the breakfast site, 49 clinics serving 123 guests were held. Municipal citations comprised 33% of issues dealt with; next closest, at 7%, were driver’s license recovery, criminal, and landlord/tenant issues. The Dinner site offered 19 clinics serving 17 guests with the majority of issues focusing on landlord/tenant and municipal citations.

SUNDRIES FROM THE AVENUE
25,060 ITEMS DISTRIBUTED
Toiletry items (soap, lotion, shampoo, laundry soap, combs, toothbrushes, toothpaste and deodorant) were distributed monthly to guests at our St. James’ Saturday Lunch by Sundries from the Avenue, a ministry of St. James’ Episcopal Church. This ministry is particularly important at this downtown location where a majority of Gathering guests are homeless.
FRESH PRODUCE PRESERVATION PROJECT

1,330 POUNDS FROZEN
This project (in its third year in 2012) focuses on preserving excess donated produce received during the growing season for use in our winter meals, providing additional flavor and nutrition. The 2012 growing season suffered a severe drought affecting the amount of produce available. However, 2,225 pounds of bell peppers, tomatoes, cabbage, carrots and green beans were still donated by area farmers, gardeners, and food banks. 43 volunteers (270 donated hours) processed the donations into 1,330 pounds of frozen product.

DONATIONS IN-KIND

Without donated food, supplies and services, the Gathering’s expenses would double. But that’s not the only reason donations in-kind are important. They also reflect the commitment and creativity of the community at large to this work.

DONATED FOOD

163,313 POUNDS VALUED AT $167,098
92,638 pounds of perishable and nonperishable foods from government and other sources were donated through Hunger Task Force. An additional 54,825 pounds came from area restaurants, grocery stores, coffee shops and bakeries. 2,225 pounds of fresh produce was donated for the Produce Preservation Project, and 13,625 pounds came in the form of take home bag “dinners” for our Saturday Lunch guests. These numbers do NOT include the wonderful donations of coffee, milk and home-made baked goods provided by serving groups on a weekly basis.

SERVICE VOLUNTEERS

36,399 DONATED HOURS
Volunteers come to The Gathering as individuals or as groups, one time or daily. In FY2012/2013, 163 different groups served meals at Gathering sites: 44 businesses/organizations, 58 religious institutions, 29 schools, and 32 service groups and families. At weekday meals these groups worked alongside individuals from the community and from our guest population. Each meal required 12-20 volunteers, resulting in 29,076 donated hours of service. Produce Preservation volunteers, bag lunch makers, serving group recruiters, cleaning groups, and cook team volunteers made up the remainder of the donated hours.

LEADERSHIP VOLUNTEERS

67 VOLUNTEERS
These volunteers serve as lead cooks and coordinators for our Saturday lunch programs. They serve in roles that would otherwise have to be covered by paid staff. In FY2012/2013 these leadership volunteers provided 2,934 hours valued at $52,988.

ADMINISTRATIVE VOLUNTEERS

22 VOLUNTEERS
Seventeen individuals served on The Gathering’s Board of Directors during FY2012/2013, offering support and oversight to the organization’s operations and valuable participation in fundraising activities and community awareness. Five office volunteers provided over 500 hours of service in The Gathering’s office, answering the phone, entering data, filing and organizing.

DONATED SUPPLIES AND SERVICES

110 DISTRIBUTIONS
Toiletry items were distributed monthly to St. James’ Saturday Lunch guests by Sundries from the Avenue. An additional 3 toiletry distributions were provided at our Dinner site. Sixteen groups distributed bag lunches/sandwiches at 82 of our meals. Thirteen additional distributions of treat bags, warm weather clothing, blankets and holiday decorations in addition to equipment and in-kind services were provided by scout and school groups, churches, individuals and companies.

YOUTH IN THE SERVING LINE AT THE DINNER PROGRAM

The Gathering relies on hundreds of individuals and groups who donate their time and expertise. Volunteers do 98% of the direct service work. Numbers provided below are based on available tracking, observation and best practices.
We recognize the following individuals, foundations, churches, corporations, schools, and other organizations that have contributed to the ministry. We have made every effort to ensure the accuracy of all donor names. If we have missed you or spelled your name incorrectly, please let us know.
