## Our Mission

The mission of the Licensed Professional Counselors and Provisional Licensed Professional Counselors at Crescent City Counseling Center is to help the people of New Orleans establish a healthy, happy, joyous, and peaceful life journey towards wellness on a cognitive, affective, and behavioral level through the use of empirically and evidenced based best practices.

Individuals who receive clinical mental health services through Crescent City Counseling Center do so with the understanding that they are being provided clinical mental health services by professionals and paraprofessionals who are trained in the art and science of helping individuals to maximize their individual potential for a more meaningful life experience.

Crescent City Counseling Center is comprised of highly trained professionals who work to promote the general welfare of the people of the Greater New Orleans area by building on the individual's strengths and empowering individuals to find solutions to meeting their needs.

Effective.
