

Vin de Vin Wine Tasting and Collecting Consultants

started in response to the growing interest in wine. We create exciting wine events for the lifestyle generation. Why not have wine education as the theme for your next event or party?

About Vicente M. A. Pina, CWS

Vicente "Vin" Pina started Vin de Vin Wine Tasting and Collecting Consultants to take the mystery out of the world of wine. He conducts wine events for businesses, individuals, and groups, with a focus on education, information, and fun. He also conducts educationally oriented wine tastings for wine connoisseurs.

In addition to conducting wine tastings throughout the Northeast, Vin is the author and publisher of the *GrapeVine* newsletter, a monthly Internet publication focused on wine-related topics.

Vin is a Certified Wine Specialist (CWS), and a member of the Society of Wine Educators and the German Wine Society.

Vin has traveled throughout the United States, Asia, Central and South America, the Caribbean, the United Kingdom, Australia, and Ireland.

Fun and Educational Wine Tasting Events

Vin de Vin Wine Tasting and Collecting Consultants can conduct wine education

and wine tasting events for your business or in your home. We provide all the necessary materials to conduct an informative

and enjoyable event. This includes all wines, wine glasses, wine maps, wine scoring sheets, tasting sheets, and personalized handouts.

In fact, our events are a non-intimidating way to learn about wine in a sophisticated yet casual setting. Our events are perfect for beginners who just want to taste, or more

"His ability to cater to the different levels of knowledge in the audience was exceptional."

advanced enthusiasts who want to stay current with today's wine scene.

A Vin de Vin wine event mixes tasting

great wine with interesting conversation and lots of fun.

Customized Parties

All parties are customized to fit the needs of your group — from social to serious. Past events have included topics such as:
