We wish you a wonderful time here, discovering the natural beauty we have to share, which we hope will form memories and friendships you will take home with you.

Situated in the South Pacific, just a three and a half hour flight from Auckland, New Zealand, you will arrive at our island. A large coral atoll, you can simply choose to relax or have an adventure exploring caves, chasms and sandy coves, all in one place. Swim where kings once bathed, snorkel and dive in crystal clear waters and navigate our lush, tropical Huvalu forest. Discover what it feels like to be connected to the earth, the sea and the people. There truly is nowhere like us.
