

North Brooklyn Farms, LLC
Volunteer / Member Waiver of Liability and Release

Volunteers and Members should read this Waiver of Liability and Release (this "Waiver") carefully and contact North Brooklyn Farms, LLC (the "Farm") with any questions or concerns.

I, the undersigned, freely, voluntarily and without duress execute this Waiver in favor of the Farm and its directors, officers, employees, representatives, contractors and agents (collectively with the Farm, "NBF"):

1. **Volunteer Status.** I would like to volunteer for NBF. I understand and agree that (a) I am a volunteer and not an employee of the Farm for any purposes and (b) I am not entitled to, nor do I expect, any compensation for my efforts including, but not limited to, minimum wage, overtime, unemployment insurance, workers' compensation insurance or any other benefits. I acknowledge that the Farm is not a non-profit entity.
2. **Risks of Volunteering.** I understand that activities related to being a volunteer for NBF, accessing the Farm, consuming produce from the Farm and participating in other activities and events from time to time held by or relating to the Farm (the "Activities") involve serious risks and work that may be hazardous. I may be exposed to, for example, but not limited to: insects; wildlife; inclement weather; extreme temperatures; heavy machinery; tools; the actions, inaction and negligence of NBF, volunteers and other people present at any on- or off-site Activities; travel to and from the farm site; pollutants and dangerous surface and subsurface conditions such as holes in the ground. I understand that these examples are not all-inclusive and there may be additional risks, all of which may involve serious personal injury, death, or damage to my property. If I find anything hazardous or suspected to be hazardous, I shall not touch it and agree to notify Farm personnel immediately. I shall not pick up syringes, broken glass or other sharp materials, or exceptionally large, heavy or unyielding objects.
3. **Indemnification, Release of Claims and Assumption of Risk.** In exchange for the opportunity to participate in the Activities, I (and my family, heirs, legal and personal representatives and my and their successors and assigns) willingly and knowingly (a) release, indemnify and hold harmless NBF, the landowner of the farm site, any directors, officers, employees, representatives, contractors, volunteers and agents of the foregoing and the respective heirs, successors and assigns of the foregoing (collectively, the "Released Parties") from any and all Claims (as defined below) and (b) assume all of the risks and responsibilities of the Activities and any Claims. I understand that I am fully and solely responsible for any hospital or other costs arising out of any personal injury or property damage relating to the Activities and that the Released Parties bear no responsibility for the foregoing and do not carry or maintain health, medical or disability insurance for any volunteer. "Claims" means any and all claims, liabilities, damages, demands, rights or causes of action, costs and expenses of whatever kind or nature, present or future, known or unknown, foreseeable or unforeseeable, patent or latent, arising directly or indirectly from or relating to the Activities, or the presence of myself, my family members, guests and others for whom I am legally responsible at the Farm (including, without limitation, for or in connection with any injury, illness, death, medical expenses, medical treatment or service (including the lack or timing thereof), loss of or damage to property and risks described in Section 2 above), even if caused by the negligence or misconduct of any Released Party or any other person, whether passive or active.
4. **Medical Treatment.** I am physically fit to participate in the Activities. I understand no medical services are available on site or otherwise, and I give permission to NBF to authorize, arrange and/or provide first aid and other medical treatment and services for me and anyone under my supervision in connection with the Activities (it being understood that NBF has no obligation or duty whatsoever to do so).
5. **Responsibilities.** I understand that I am responsible for my own behavior. I will only perform volunteer work and other Activities that I feel comfortable and safe doing and that I am medically and physically capable of doing. I understand there are certain volunteer activities that require special training. I will not undertake such activities without the required training. I will perform my tasks and participate in a professional, courteous manner, follow the supervision and direction of NBF or any other volunteer to whom I am assigned, and participate in all training required by the Farm. I shall read

7. **Violation.** I acknowledge that a breach of any of the policies, rules and regulations of the Farm (including, without limitation, any safety or non-discrimination policy) or the terms of this Waiver may result in dismissal from the premises on which the Farm is located or otherwise conducts its activities and/or the preclusion of my participation in the Activities.
