

# Sundale Burnside Rotary Retirement Community

## Sundale Rotary *Creating Communities*

**Inspiring retiring.** Nestled between the mountains of the Blackall range and the beaches of the Sunshine Coast, just moments from the services of Nambour, Sundale Burnside offers modern independent living amongst lush gardens and a vibrant welcoming and peaceful community. Do more, worry less, explore, enjoy, and laugh often. Welcome to a haven for elders to savour health, happiness and quiet enjoyment of the Queensland countryside.

**RETIREMENT COMMUNITIES**

## Modern, easy access, fully upgraded units.

Dotted throughout the 7 acre site are 80 one, two & three bedroom ensuite units. Our retirement units open out to peaceful gardens, ensuring you have comfortable, cosy accommodation with everything in reach and the right balance of privacy and connection to the community.

## More to do, less to worry about.

Expansive newly renovated clubhouse with cinema / media room and private lounge area.

- BBQ Facilities for gatherings on the deck, overlooking the creek.
- Regular Sundale bus service to Nambour for shopping and trips to the beach or events.
- Hairdresser, well stocked library with large type books.
- Exercise groups, quizzes, visiting entertainment.
- 24 hour emergency call system.
- Gardening in lush surrounds (only if you want to).
- Small pets welcome.
- Men's shed on site.

**Our retirement living residents can enjoy the benefits of Sundale's care and domestic assistance services. We offer In-Home Care (*government subsidised and privately funded*) plus a range of Allied Health care services.**

## Rod Voller Care Centre Extra care when you need it.

When you're truly connected to your community, the last thing you want is to move when your needs become greater. Sundale can provide care, meals and assistance in your residence and also has an on-campus care centre with 50 beds for aging in place. Get the very best of care when you need it, stay connected to the people you know so well.

## Sundale. Not for profit – all for the community.

Sundale is a not for profit organisation and the Sunshine Coast's largest provider of retirement lifestyles, aged and community care. We manage our finances carefully and all surplus is reinvested into better care, better facilities, better lifestyle options and training. While many private companies care for profit, our profit goes to care.

Sundale was born and nurtured here on the Sunshine Coast. The selfless enthusiasm of the Nambour Apex Club raised the funds to lay the first brick of our first care centre in 1963. For over five decades, Sundale has matured to be respected, relied upon and valued by the community - just like the elders we serve.

**Sundale passionately serves the Sunshine Coast and beyond by providing enriching environments and specialised services from people who care.**
