

## **Warning: Hotel Scam from Exhibition Housing Management**

SUP-X has been made aware that a service provider called Exhibitors Housing Management and/or Exhibition Housing Management has contacted a number of individuals who are attending SUP-X, quoting the event, to offer hotel reservation services.

Please note that no company has been authorized by SUP-X to contact any of its participants about event related housing. Additionally, Exhibitors/Exhibition Housing Management does not represent SUP-X, nor have we authorized them to use our names or trademarks on information they send out to exhibitors. While we do not know enough about this third party's intent, we recommend you reserve rooms with hotels listed on the conference web site via the links provided there.

Please be aware of the following:

- No one should contact you directly to book your hotel room or offer you a "special discounted conference rate" or "can save you \$X off your room rate" or needing your credit card information. If you receive one of these calls or emails, it is a scam. They are not associates of SUP-X.
- If you receive a phone call from someone wanting to speak to the "tradeshow coordinator or the person who is handling SUP-X that your company is attending in February," it is a scam and they are not affiliated with SUP-X.
- If someone emails you claiming to be from any exhibitor department, and the email is not from a [sup-x.org](mailto:sup-x.org) email address, do not share any information with them. The company is not affiliated with SUP-X and it is a scam.

If you happen to be contacted by any other company claiming to represent SUP-X, please contact me.

Lastly, if you have any questions or need any assistance, please do not hesitate to contact me.
