

Highland Park Preschool

April 2017 Newsletter

March recap: The children loved our space and transportation themes. Our pretend spaceship and airplane prompted the children to take turns and use their imagination going to a variety of planets, countries and even the International Space Station. Some took such a long journey that they had to stop at Mars for gas. Another exciting day was Pyjama Day. The 'fort' was a big hit and Mrs. Gail's class actually fit 10 children inside! We continue to work on letter, number and pattern recognition, as well as fine motor printing and cutting skills, and 'acts of kindness.'

Coming up this month:
