

The Launch Pad Admission Process

The application process at The Launch Pad is our way of getting to know you and your needs and goals. Each young adult will have different goals however the steps involved in the application process are the same for everyone who applies.

Our application process:

- Fill out Application Online
- Fill out confidentiality release
- Come for an interview and tour of The Launch Pad
- We will assign you a few homework assignments based on your interview

While you are doing the things above, we will be doing the following:

- Talking with the references you provided
- Making a team decision
- Communicating with you about our decision

The average length of time from application to move-in is approximately 3 weeks.
