

Business, Management and Administration: Accounting

Unity High School

Career Pathway Program of Study

This Career Pathway Program of Study (based on the Production Pathway of the Manufacturing Career Cluster) can serve as a guide, along with other career planning materials, as learners continue on a career path. Courses listed within this program are only recommended coursework and should be individualized to meet each learner's educational and career goals. *This Program of Study, used for learners at an educational institution, should be customized with course titles and appropriate high school graduation requirements as well as college entrance requirements.
