

THE OPPORTUNITY

You are most likely aware of the VA mortgage benefit that allows you to buy a home for yourself and your family with up to \$417,000 to \$721,000 with \$0 down.*

But did you know that same benefit can be used to purchase and be a resident landlord in a two, three, four or five unit property?

In some cases the rental payments may subsidize some to all of your living costs and mortgage payments. This possibly creates an operating profit, as well as possibly creating wealth through property value appreciation.

**These numbers are based on national averages, actual amounts will vary by location, and in certain cases one of the units may be a commercial unit for you to run a business in or rent out.*

USE YOUR VA LOAN TO BECOME A LANDLORD

BUILDING YOUR FUTURE AND PROTECTING YOUR LEGACY

THE MATH IS SIMPLE

Let's use a three unit property as an example.*

Two of the three units rent for a total of.....	\$3,000
Mortgage, taxes, interest, maintenance	-\$2,700
	<u>\$300</u>

This \$300 is essentially what you might get paid to live in the third unit. If the property goes up in value, that increased value is yours!

WE HELP PAVE THE WAY

Our team will work with an experienced 3+ unit properties lender or mortgage broker to help pre-qualify you for a VA mortgage. We then work with you to find the property and mortgage that will help you reach your financial goals.

Every opportunity is different depending on your financial situation and the area of the country, state, county, or town where you would like to live.
