

Creating Your Profile Is Easy

Colleges - Build your free STEM Premier® profile and show students what your school is all about.

Use Your Profile To:

- **Enlighten & Educate** - Provide a good description of your school - what you offer and how students can join you.
- **Upload Videos** - Don't just tell them; show them. Bring the next generation onto your campus and into your programs by adding videos.
- **Post Opportunities** - Get your open houses, scholarships, events, and more directly into the hands of STEM Premier students.
- **Connect With Talent*** - Identify emerging talent, see where they are and message them directly for recruitment into your school.

*Searching for students and direct messaging are Premium Level features.
