

# It's Time To Get Connected.

**STEM Premier®** lets you showcase yourself and get seen by colleges and companies looking for the next generation of STEM talent.

STEM Premier is a platform where students, from middle school to college level, can build virtual portfolios\* displaying their academic and technical STEM skills, receive guidance, and **connect directly with colleges, companies, and organizations.**

## Benefits To Students

### Connectivity

Students and parents can be messaged directly by colleges, companies and organizations within STEM Premier.

### Analysis

STEM Premier® evaluates individual achievements and shares comparison data on state and national levels.

### Organization

Students build virtual portfolios which grow and strengthen as they progress through their academic careers towards next steps.

### Guidance

We offer recommendations and resources to foster career growth and help the student optimize their individualized profile.

### Recognition

Students can be rated & ranked\*\*, display earned badges & accomplishments and add courses completed.

### Scholarships

Students will have access to an ever-growing collection of scholarships within the STEM Premier database.
