About MAP

MAP provides pro bono legal services to our
country's heroes. Many times these heroes
have been unfair victims of the predatory
lenders who camped outside a base during
their years on active duty. Some of these
heroes needed cash to put food on the table or
keep the lights on, and were swayed to access
money by offering security in their cars in the
form of a title loan. Some heroes have debts
with interest rates in the 800% range. MAP
provides consumer law services to service
members struggling with debt, as well as
serves as an advocate for service members in
veterans administrative law setting.

All donations and Sponsor Fees made out to
the Military Assistance Project are 100% tax
deductible.
