

How many SugarShoppela sugar cubes are in each order?

Generally, there are 30-36 sugar cubes per order (depending on the style of the cube). For bulk orders and pricing, please contact us at [sugarshoppeLA@gmail.com](mailto:sugarshoppeLA@gmail.com).

When will I receive my order?

Our processing time is typically 1-2 weeks because each order is custom made. However, if you need your order by a specific date, just shoot us an e-mail and we will make it happen!

What is the best way to store SugarShoppela sugar cubes after I receive my order?

We recommend storing the sugar cubes in the packaging they come in, keeping them out of direct sunlight, and consuming them within 4-6 weeks after purchase.

What is your cancellation policy?

Orders cannot be cancelled once SugarShoppela has begun processing the order. Because we start making the orders almost immediately (we want you to have them ASAP), you have 1 hour (60 minutes) to cancel your order from the time it is placed. Please email [sugarshoppeLA@gmail.com](mailto:sugarshoppeLA@gmail.com) to cancel your order if you have a change of heart.

What if my package was lost or stolen?

SugarShoppela is not responsible for lost or stolen items. If the item is listed as "Delivered" on the shipping carrier site, SugarShoppela will not provide a refund or ship a new package. We recommend that the intended receiver contact their local USPS office to see if they have it.
