

At Pike Road, we believe the Willamette Valley is the best place in the New World to grow Pinot Noir and Pinot Gris. This is why we are committed to providing you with wines that are 100% grown in this incredible place.

Our 2015 Pike Road Pinot Gris

The Pike Road 2015 Pinot Gris is a fruit-forward and vibrant take on this classic Willamette Valley wine.

How we make our Pinot Gris:

All the fruit for Pike Road Pinot Gris is hand-picked and gently pressed. The juice is then cold fermented in small stainless steel tanks to preserve its delicate aromatics, and finished with a screw-cap so that it tastes as fresh as the day it was bottled.

Pike Road Pinot Gris is made from 100% Willamette Valley fruit. Primarily grown on our estate vineyards, the wine also includes smaller lots of fruit grown by our longtime, trusted partners here in the Willamette Valley. We believe this "multi-vineyard" approach results in a more complex, flavorful wine.

Tasting Notes for our 2015 Pinot Gris:

Aromas of tropical fruit, early peach and lemon meringue pie lead to a juicy, refreshing mouthful of citrus, lychee and baking spice. A subtle suggestion of woody autumn leaves complements a rich and rounded texture that ends with a zip of tart green apple.
