

EPPIG BREWING CHARITABLE GIVING GUIDELINES

California has very specific guidelines & laws that regulate the donation of alcoholic beverages and participation in events. Eppig Brewing strictly adheres to these regulations and will only donate beer to non-profit organizations that meet all of the criteria set forth by ABC.

- The non-profit must be a *federally* designated 501 (c) organization and provide record of current Federal Tax Identification to Eppig Brewing
- The non-profit must acquire the proper ABC license for a donation from a beer manufacturer. Non-profits are eligible for special licenses that allow breweries to donate to certain qualifying events. Eppig will donate only when ABC issues a special license to the non-profit for the event and a copy is provided to Eppig Brewing in advance. NO EXCEPTIONS!
- California law does not currently permit for the donation of anything *except beer* (No gift cards, gift baskets, merchandise, etc. are permitted as donations)

Unfortunately, we are not able to support:

- Groups that are not a 501(c)(3) or 501(c)(6) nonprofit organization
- Events co-sponsored, hosted, or associated with an establishment that has an existing liquor license
- Golf Tournaments & most sporting events

If you meet the criteria listed above and would like to be considered for a donation,

please complete and return the donation request form to:
