To help you decide here's a few recommendations

\*As an example; One platter of Arancini Balls is 30 Arancini Balls

\*While you can order as many platters as you like, we limit the variety to  
5 choices for 40-60 guests, 6 choices for 60-80p  
and 7 choices for 80p+

\*For a snack with drinks we suggest 5 pieces per head, for a more  
substantial feed 10 pieces per head

\*Please order at least one week before your function
