

## VF's Owned and Operated and Tier 1 Supplier Factory List

---

**Active Factories During Q1 2017**

# VF's Owned and Operated and Tier 1 Supplier Factory List

VF Corporation is a global leader in branded lifestyle apparel, footwear and accessories, with 60,000 associates and operations in more than 170 countries. This map and factory list display all VF-owned and operated, and direct sourced, Tier 1 supplier factories used by VF in the first quarter of 2017. Updated quarterly, this list fluctuates over time to reflect the seasonality of VF's business and corresponding production. All factories must meet VF's strict standards and adhere to our Global Compliance Principles. VF's Tier 1 supplier factory list does not include licensee and sub-contractor factories or Tier 2 material suppliers.
