SUMMER COURSES
IN SHANGHAI, CHINA 2017

Chinese Politics and Society
June 22 - July 5, 2017
- Lectures on politics, economics, social issues, and international relations by top Chinese and Nordic academics
- Excursions to consulates, museums, and various points of interest in and outside of Shanghai

Doing Business in China
July 7- July 20, 2017
- Lectures on the Chinese business climate, how to compete with domestic companies, marketing, and more, by top academics and business people
- Visits to factories and company headquarters
- Meet executives - previous years have included management from companies like IKEA, Grundfos, DNV-GL, and KONE.

Both Courses...
- Are organized by Nordic Centre at Fudan University, one of China’s top academic institutions
- Cost only 800 RMB (110 euro) in participation fee (does not include travel, hotel, and most meals)
- Are only for students at member universities of Nordic Centre; each member university can send three of its students in total. For list of members see nordiccentre.net
- Grant 5 ECTS upon completion of an essay after the course

FOR FINAL PROGRAMMES, and APPLICATION PROCEDURES, go to NORDICCENTRE.NET
