

## **India Globalization Capital, Inc. (IGC) Engages NetworkNewsWire for Corporate Communications Solutions**

NEW YORK – April 25, 2017 – India Globalization Capital, Inc. (“the Company”) (NYSE MKT: IGC), engaged in the development of cannabis-based combination therapies to treat a variety of life altering conditions, announces that it has engaged the expertise of [NetworkNewsWire](#) (“NNW”), a multifaceted financial news and publishing company that delivers a new generation of social communication solutions, news aggregation and syndication, and enhanced news release services.

“We have an exciting pipeline of phytocannabinoid-based treatments based on our formulation for pain. As we move toward pre-clinical and clinical trials, we are working with NetworkNewsWire to make sure the investment community is aware of the opportunities created by our progress - both from a corporate and broader medical standpoint,” states Ram Mukunda, CEO of IGC.

NNW’s strategies help public and private organizations find their voice and build market visibility. As part of the Client-Partner relationship with IGC, NNW will leverage its investor-based distribution network of over 5,000 key syndication outlets, various newsletters, social media channels, blogs, and other outreach tools to generate greater brand awareness for the Company.

“IGC occupies a unique position in the medical cannabis field by focusing on combination therapies for a number of indications, including possible veterinary applications” states Sherri Franklin, director of Content Marketing for NNW. “It is an interesting story to dig into, and we look forward to helping IGC prime its corporate message to effectively tell this story to existing and potential shareholders.”

### **About India Globalization Capital (IGC)**

India Globalization Capital is engaged in the development of cannabis-based therapies to treat pain, PTSD, seizures, cachexia, chronic and terminal neurological and oncological diagnoses, and other life altering conditions. In support of this mission, IGC has assembled a portfolio of patent filings for its phytocannabinoid-based treatments. The company is based in Bethesda, Maryland.
