Walk on Time Policy

Students in the High Performance program are able to use complimentary walk on time whenever courts are open. Please note:

- Student is not permitted to reserve courts ahead of time. If a student calls in advance to "hold" or "book" a court to ensure its availability upon arrival, they must pay court fees.
- If a court is open and available there is no charge for that court at the time of play. However, if a paying member books the same court while student(s) is/are playing, student(s) must surrender the court immediately.
- Lastly, if a student / students play(s) with a parent, the parent is responsible for their share of the court fee. The parent's share of court fee does not guarantee court time.

****All participants must be invited member(s) of the HP program to qualify for lesson discounts.***
