Village Glen Junior Summer Camp is a progressive program providing integrated instruction for all levels of interest and ability. We specialize in a comprehensive 10 and under program that allows students to experience and develop technically / tactically using modified equipment that is designed for the Red, Orange & Green progressions. Tennis Whizz is at the foundation of our program. TW is a complete preschool tennis program that fosters healthy mental, physical, and emotional growth for young children ages 5 and under. Our junior camp is for all students' green ball level though High Performance players. Our camp will focus on technical and tactical skill development, conditioning, speed, and agility training, as well as supervised match play to hone their competitive skill sets.
