

Dear Trems,

As the new Director of Advanced Training I would like to first thank Ilse Pfeifer, Adona Butler, Barbara Karger, and Ron Carlos for their support with a seamless handover. They have done an amazing job of sustaining relationships in our community and continuing our need for advanced training.

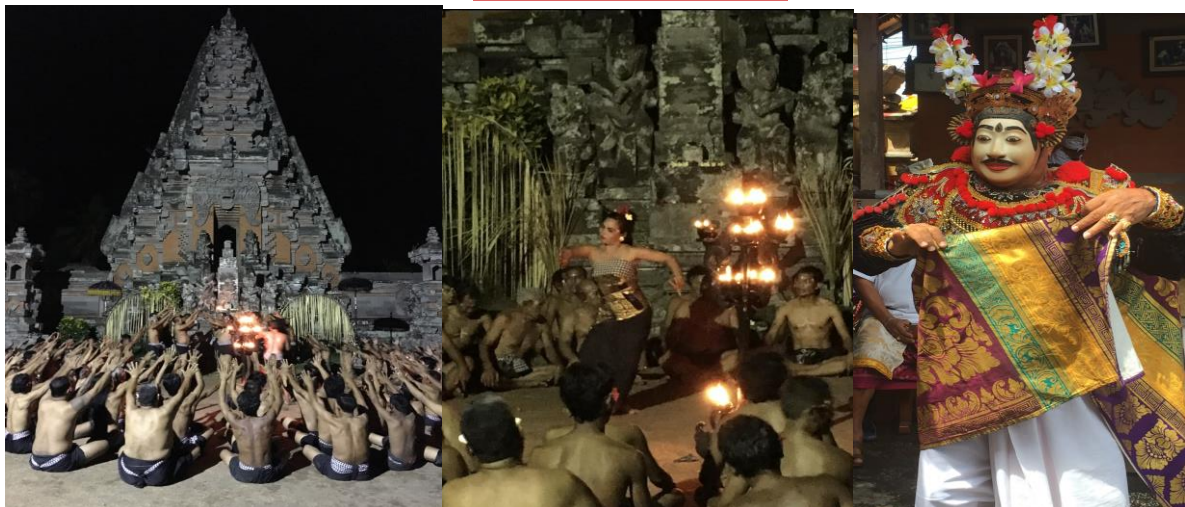

My intentions are to incorporate the systems that are currently in place to continue offering opportunities for us to share knowledge, inspire each other, and include as much of our village as possible.

As we continue to offer you more Advanced Training opportunities, we would love to hear from you. If you would like to give us feedback, please do not hesitate to contact us directly at [advancedtraining@fitzmauriceinstitute.org](mailto:advancedtraining@fitzmauriceinstitute.org).

I would like to introduce our new Advanced Training team. They will bring in their very specialized expertise and intersections of their practice and relationship to Fitzmaurice Voicework: **Gin Hammond** (2005); **Maggie Surovell** (2005); **Traci Foster** (2006); **Michelle Lopez-Rios** (2007); **Josh FS Moser** (2016)

Our first fall workshop offering will be **Conscious Coaching Practices with Jacqueline Springfield and Josh F. S. Moser**. This virtual workshop will be held **Saturday September 3rd from 10 AM EST to 1 PM EST**. We're offering this workshop again, so if you weren't able to attend this workshop last year, make sure to save the date! Stay tuned for an email with registration details.

### [Come Join us in Bali](#)

Please join us December 29, 2022 through January 5, 2023 in Bali.

From December 29, 2022 - January 5, 2023 we will begin an annual Advanced Training which will take place in the villages of Bali. This will be a coming home. I invite you to Bali like I did

Catherine 2 decades ago. With the Balinese and our guest teachers of the Perdekamp Emotional Method (PEM), <https://pem-acting.com>, we will strengthen our autonomous roots in the ancient knowledge of our bodies: nervous system, organs, breath, awareness, and performance.

There will also be an email coming soon about the new Trem Advanced Training socials and other workshop offerings, including the full details of the Bali Advance Training.

As you can see, there are many exciting workshops and events planned. We look forward to hearing from all of you about hopes, desires and ideas you may want to share.

With kindness, love, and respect,

Budi Miller
