

## Hi BCC family

Being a church is a 'faith walk'. It takes courage and hope to be the people of God working together in a city to help and transform our environment with the gospel. We are making a real difference in our city and you have been so faithful to partner with God and your church to see real lives change.

We have some exciting Spiritual initiatives to deepen and extend our church as we move towards 2020. We are ambitious for God and His plans. We are not building our own kingdom, we want to join with what God is asking of us.

So by the year 2020 we are partnering with God to achieve some bold initiatives through our BCC church family...

Pastor Mark Ryan

By 2020 we want to make our existing central campus a place of excellence in both environment and experience.

Our city needs a 'stand out' model church which carries the presence of God, is appropriate to our modern world and where people feel welcome – we are growing and so we need a balcony!

By 2020 we want to recruit a new pastor for community and evangelism.

By 2020 we would like to branch out the BCC experience onto four additional campuses around our city – keeping the same presence and excellence in the Spirit, so that we can invite more people to get to know Jesus.

By 2020 we want to generously plant and expand our global missions work into a new area of our world – we have been invited to plant in India.

By 2020 we want to develop such a strong stewardship helping programme, that every person in BCC has a strong plan to experience financial help and freedom.

## How to give a 'faith promise' offering

You are already walking with God in faith.

A 'faith promise' offering helps you to express this.

1. Look at your budget and begin to pray about giving an amount to the church over and above your regular giving.
2. Ask God what you should give – make it a faith walk with Him.
3. Make a pledge on what you think God has said and drop this into the offering bucket on a Sunday.
4. When we have received the pledges, we will have a church celebration together, to honour God.
5. Honour your pledge and over time bring your 'Build The House' offering.

### Thank you!

Thank you so much for partnering with us. Our faith walk together is transforming our city! Leviticus 26:10 says "You will still be eating last year's harvest when you will have to move it out to make room for the new." It's time for a new spiritual harvest in God and that's what 20:20 is all about.

Please fill in the attached pledge card, carefully tear it out and return your pledge (by dropping it into the offering bucket) on Sunday 14<sup>th</sup> May, Sunday 21<sup>st</sup> May or Sunday 28<sup>th</sup> May. In August we will have a church celebration and we will let you know the amount that has been pledged.

#### *giftaid it*

If you are a UK tax payer and are not currently signed up to Gift Aid, please complete and sign a Gift Aid form (available at the Info Point), as your pledge will be worth an extra 25%.
