

# How you can optimize your recycling impact

1. Follow instructions, only put the correct items in each bin .

**PLASTICS  
ONLY!**

2. Always keep out garbage and non-recyclable materials.

3. Always completely empty and rinse out containers.

4. Keep material grades/types separate to get the most out of your recycling.

5. If in doubt, ask. Contact your local township or recycling facility.
