Teleconferencing? Check. Videoconferencing? Check. Big screens for PowerPoint? We have four. Whether you need one large room for a quarterly update or three separate, soundproofed rooms for breakout sessions, RFC’s multipurpose space is adaptable and equipped with fantastic A/V options. Our 2,300-square-foot venue is perfect for training sessions, staff retreats, client meetings, and quarterly reports.

You know what’s better? If you book for 25 people or more, there are no fees for room rental or A/V.

**Included in your package:** one 3-hour session, projection, mic, podium, house music and basic A/V. Client must provide computer and presentation content.
