we're making changes!

You may have noticed several changes to our menu at Abby Singer's. We've had to say goodbye to some popular dishes, and we've added some new ones to spice things up (if you haven't tried the Get Shorty yet you're missing out)!

why now?

Throughout our history we've continually looked at ways to improve our food and service offerings. For our fifteenth anniversary we decided to go back to our roots as a Bistro, designed to provide food that's pleasing to the eye and the palate, served fast and fresh in a cozy, welcoming environment. Our new streamlined menu will help us do that and make you, our valued customers, happy with every visit.

more to come!

There are more changes in store at Abby Singer's Bistro, including a full renovation in the coming months, along with new ordering and service options, whether you're dining upstairs for lunch or date night, or during your movie downstairs in one of our theaters. Stay tuned!
