

Summer Institute:
Chinatown Workshop #2 Results

Workshop #2 Results

Overall Rating

Workshop #2 Results

“Do not lose the Chinese flavor
just to modernize”

“Create a transportation hierarchy”

“Lots of great ideas”

“Excellent!”

“Cycle and refine, prioritize,
condense into short term/long term projects”

“All visions have strong and appropriate components,
consider identifying the best of each and combining into 1 vision”

Workshop #2 Results: History/Culture Vision

Popularity

Workshop #2 Results: **History/Culture Vision**

Comments:

“Doable in a short time space”

“Lanterns!”

Information Centers

“critical to draw them off rail”

Convert Courtyards

“Good idea, but need to address private concern for security”

Night Activies

“Family Friendly, not bars and clubs”

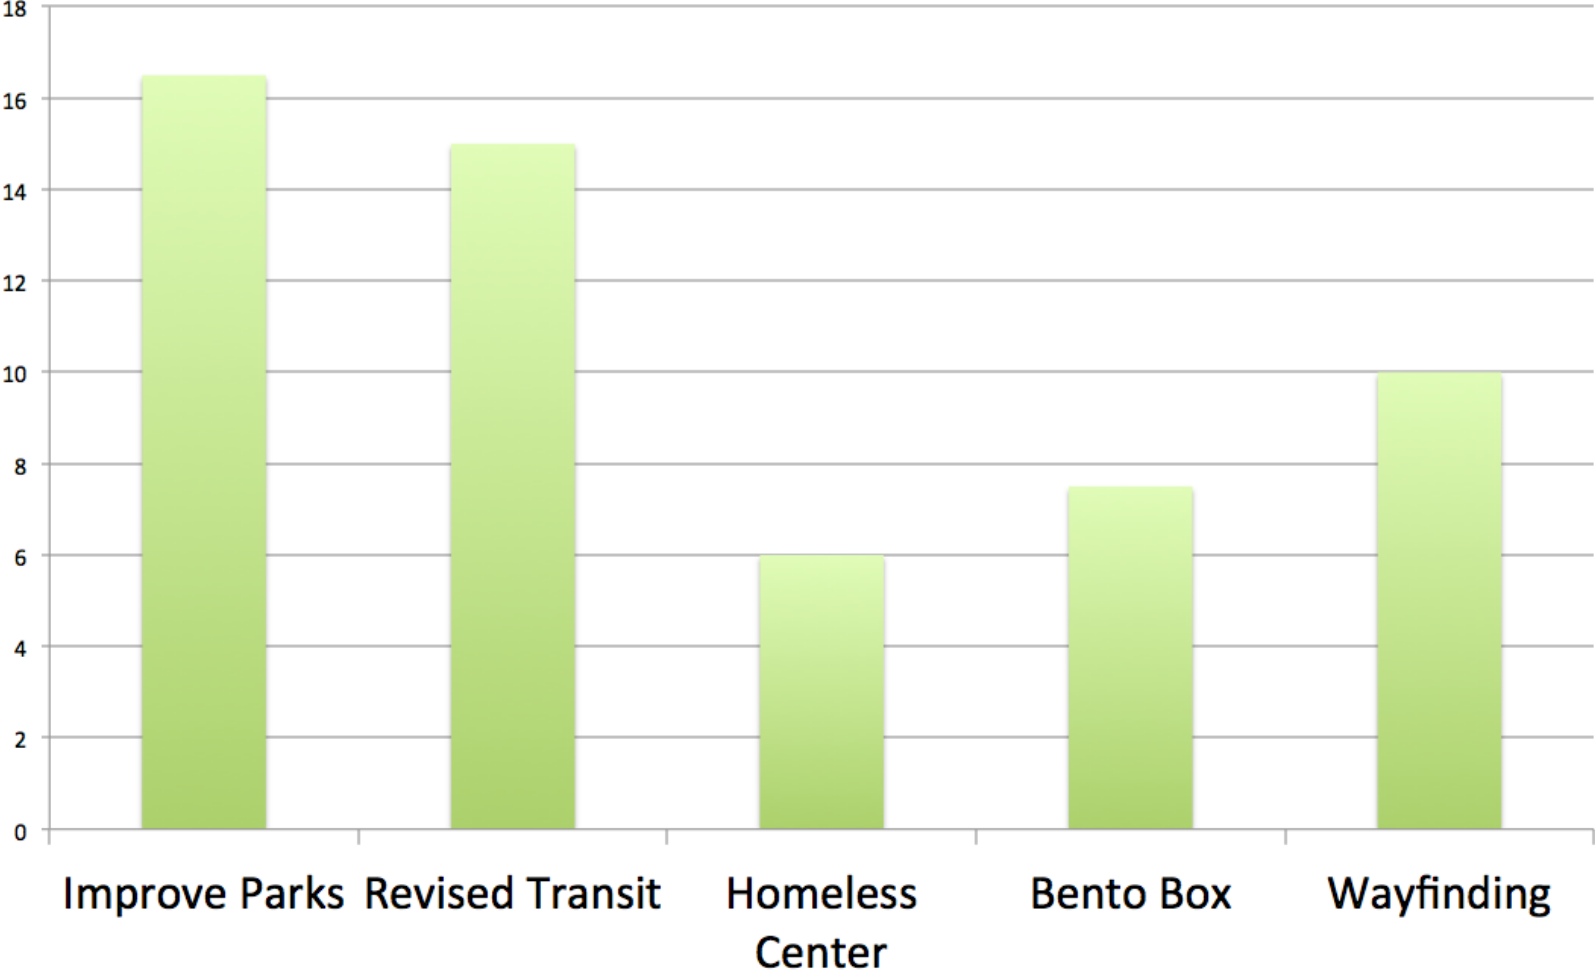

Hotel St

“Great idea, but bus route should be considered”

“Keep bus, but make pedestrian friendly”

Workshop #2 Results: Family Vision

Popularity

Workshop #2 Results: **Family Vision**

Comments:

“It’s a pressing issue”

“look at how hotel st pedestrian/bike street
could connect A’ala park to the capital”

“family firendly community concepts are sublime”

“More community gardens”

Bento Box Housing and Office

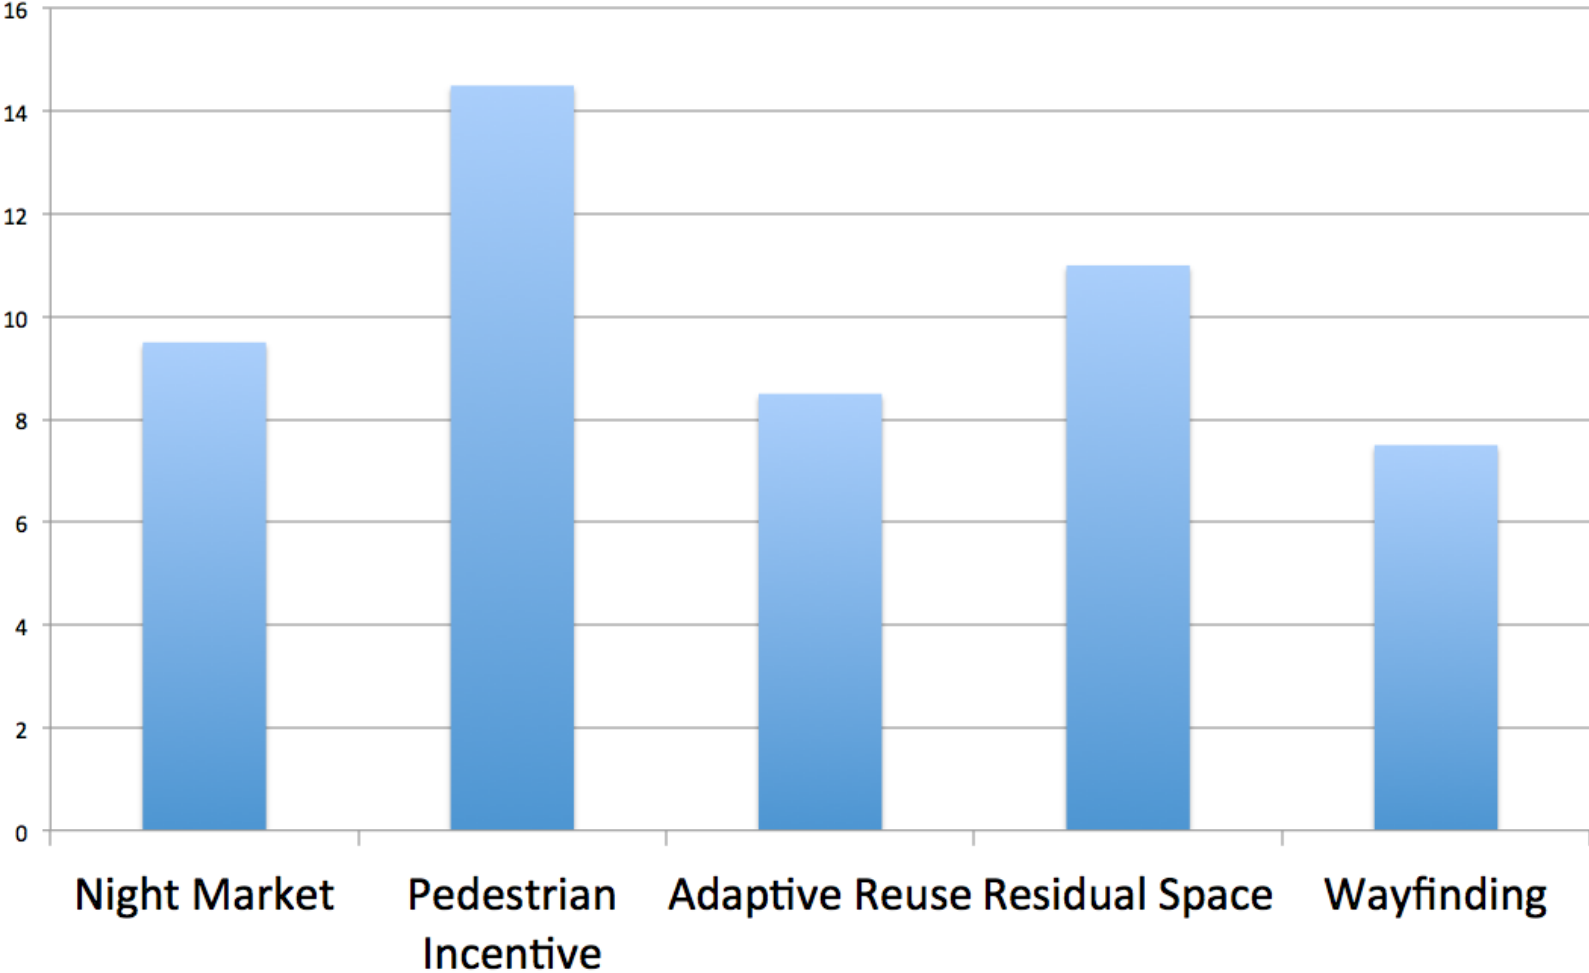

“Great connected idea, good location”

Improve Parks

“Develop the parks more for family activity”

Workshop #2 Results: Harbor Vision

Popularity

Workshop #2 Results: Harbor Vision

Comments:

“It’s a pressing issue for the city”

“Make sure this doesn’t turn
Chinatown into a tourist destination”

“Look at how to improve pedestrian crossing of Nimitz,
don’t rely on rail station”

Workshop #2 Results

Project Ideas:

- “Lanterns! Lanterns! Lanterns!”
- Reclaim the River
- Organize with arts societies for tours
- Create an app for wayfinding and connect outside of chinatown
- A’ala park, river walk, and connecting harbor to foster works together
- Store signage & advertising
- Allow street vendors
- Longer meter times
