

The Bishops' Courses For Ministry (BCM) Are Changing!

Looking for material to use in your home study group?

Want to know more about a particular area of theology?

Then the Bishop's Courses For Ministry are for you!

To adapt to changing needs, the BCM will no longer be presented in an academic format. Instead of being a course for study, the Units will now be offered as "one-off" topics for private study, small groups, bible studies and the like. Units can be chosen in any order (apart from a few that are sequential) and there is no need to do any assignments.

Unfortunately, the On-line system is being shut-down so Units will now be either sent out in PDF or paper format.

Students wishing to complete the old Certificates should contact the Registrar to make particular arrangements.
