

Are you looking to save a little money for your child's tuition at WLA or the Yearly Book Fees at Faith? Are you looking for a way to donate some extra money to Faith Lutheran School? Most people these days are looking for ways to save some money or make a donation to their church or school, but can't seem to find the money to do this. The Scrip Program here at Faith is a way for you to do just that. When you purchase a gift card to one of the hundreds of businesses who participate in Scrip (let's say \$100 to Kwik Trip), you get the full value of the card (\$100) and the business then donates a percentage of that value (in this case 4% or \$4) back to the school. The Scrip Program here at Faith now lets you choose how that rebate from the businesses you purchase scrip from is used. Of that dollar value that is donated back to Faith by the business, you can designate 60% of that money to go toward your child's tuition at WLA OR toward your child's school fees here at Faith. The remaining 40% of that rebate will automatically go to Faith School. You could also choose to designate 100% of the business rebate to go to Faith School. If you use the SCRIP program here at Faith to buy gift cards for your everyday purchases at the grocery store, gas station, restaurants and retail stores you can save some money for your child's education as well as donate a little extra money to Faith School. **It is important to remember that you are not losing out any money by using the Scrip Program – if you purchase a \$100 Scrip card, you get a \$100 Scrip card and the business is the one making the donation back to Faith. It really is like “free money.”**

Below is an example of a family's monthly SCRIP expenditure. You can see over the course of a year, how much money is saved for tuition/book fees AND how much is donated to Faith Lutheran School to be used for academics, athletics, field trips, etc
