The Thrift Shop will be holding a half-price sale until the end of the month. We have a very good selection of summer items - come and check out the bargains! Our last day of operation before we close for July and August will be *Thursday, June 29th*. A sincere thank you to everyone who has donated clean, gently used clothing. It is much appreciated and has resulted in sales of \$900 just in the month of May. If you have items to donate during the summer, they may be left in the office. The pricing team will continue sorting and pricing during the summer whenever possible.

The W.A. has beautifully hand crocheted table cloths. If you are looking for a wedding or special occasion gift, please contact Nancy Ostermann at 519 884 7058 or Karen Wegner at 519 821 0313.

BAZAAR TALK: It's never too early to be thinking about our Heather & Holly Bazaar on *Saturday, December 2nd, 2017*. If you are making jams, pickles or the like over the summer, or if you are sewing/knitting/crafting, we would be grateful for items you might set aside for the Bazaar. Donations of pint/half-pint/quart Mason jars and lids are always appreciated. Watch for our mid-summer Pickling Bee...date to be announced soon. Thanks for your ever-present enthusiasm for what is always a wonderful event.

Books and DVDs from the Book Corner are available for all summer loan. Borrow items anytime in June and the due date will be *Sunday, September 10th*. Stop by Iona Hall during coffee hour and take a look at our quality selection for children of all ages and for adults too.

Spring is here and things are growing again! Are your mite donations growing too? Remember to feed your mite container with your loose change and watch it grow. The Local Outreach Committee uses the funds raised by the mite containers to assist local community organizations with their projects. Thank you for your generosity to our local community.

Sunday Smile: At a church meeting a very wealthy man rose to tell the rest of those present about his Christian faith. "I'm a millionaire," he said, "and I attribute it all to the rich blessings of God in my life. I remember that turning point in my faith. I had just earned my first dollar and I went to a church meeting that night. The speaker was a missionary who told about his work. I knew that I only had a dollar bill and had to either give it all to God's work or nothing at all. So at that moment I decided to give my whole dollar to God. I believe that God blessed that decision, and that is why I am a rich man today." He finished and there was an awed silence at his testimony as he moved toward his seat. As he sat down a little old lady sitting in the same pew leaned over and said to him: "I dare you to do it again."
