Rev. Mark is away today. He is actually taking this Sunday as a day-off because he and Donna had an opportunity to go away for two consecutive days over the weekend. Mark and Donna will be back tonight for the Choir Gala Concert.

The Bulletin is sponsored today by Marie Young, Jan, Dave , Michael and Chris Jaworsky; in loving memory of husband and father Bryon and daughter and sister Mary Jo.

Thank you to our Ushers; Lee Bell, Barb Neibert, May Yan, Paul Neeb, Wilfred Hahn, Frank Winsor and Jeff Anderson.

Thank you to our Greeters this morning; Donnie Jamieson, Jeff Anderson and Len & Carol Fay.

Thank you to our Beadle this morning, Ab Martin.

Thank you to Donna Hodgkinson and Bev Middlemass for serving coffee this Sunday. Coffee will be served in the Elizabeth Room this morning.

Gas and grocery cards are available in Elizabeth Room and outside the Chapel this Sunday during coffee hour or at the church office during the week. The Women's Association would love to assist you with your gift cards for the upcoming Christmas Season or at any time throughout the year. There are still many **projects** to complete here at St. Andrew's.

BAZAAR TALK: Sign-ups for volunteers for the Heather & Holly Bazaar begin today in the Elizabeth Room after the service and continue on *November 19th and 26th* in the Iona Hall. Be sure to see the quilts on display. The insert in the bulletin today for all Bazaar Bakers contains important information. The Sign-Making Bee is *Thursday, November 16th at 10.00 a.m.* in the Iona Hall. The Candy-Making Bee is *Thursday, November 23rd at 1:00 p.m.* and the Greenery Bee is *Thursday, November 30th from 9:00 a.m. - 4:00 p.m.,* both in the main kitchen. (More details to follow.) Thanks for your enthusiasm and support.

St. Andrews has a long history of supporting Local Missions. One way that we contribute to our community is through the givings of the Mite Can fund. Again this year you have a label to put on a container and make your own mite can to fill with your loose change. **Challenge yourself to donate the change in your pocket or wallet at the end of each day for a week.** If you need a label, please contact the office or make a one time donation labeled Local Outreach Mite Fund. Thank you!

NOW is the time to start remembering to wear those lovely name tags to help others in our congregation that may know your face only but not your name. Tags can be worn at any St. Andrew's function, not just on Sundays. Name tags are \$10. They will be ordered for anyone who needs one when we order them for the new members joining in *November*.

Contact Garry or Yola Grant at gnygrant@rogers.com or 519-746-8315.

Position Available: Maintenance Custodian (Part-time) - We currently have an opening for an individual with skills in plumbing, minor electrical, mechanical repairs, carpentry and drywall work to assist in the upkeep of our wonderful building. The position is approx. 20 hours per week, with flexible hours and occasional weekend work as back-up custodian when required. For more details, see the job description on www.standrewskrw.com. Interested applicants, please submit your resume and cover letter to humanresources@standrewskrw.com or hand in to the church office - Attention: HR Committee.

The NFL has been pre-empted by St. Andrew's – Worship from St. Andrew's will be live broadcast on CTV on *Sunday, November 19th*. In our original contract we were going to be pre-empted by an NFL game from Wembley Stadium in England on *November 19th*; however, Bell Media now realizes that worship from St. Andrew's is far more important than a mere football game, so we will be broadcast as we should be. Please share this message with others because last week we announced that we would not broadcast on *November 19th*.

Technical Help with Sunday Audio – We would love to have one or two people who are willing to learn our audio system for Sunday worship, and who would be willing to run the sound board just once or twice per month. Clear sound is a vital part of worship; it is one of those things that no one thinks about, but when it is not working, then meaningful worship is not possible. If you are interested please call the church office and ask for Rev. Mark. Please share this request with others who might have an interest in gaining some experience with audio systems.

Sunday Smile: The story is told of a certain minister who was concerned that a shabby old man would go into his church at noon every day and come out again after a few minutes. What could he be doing? He informed the caretaker and bade him question the old man. After all the place contained valuable furnishings.

'I go to pray,' the old man said in reply to the caretaker's questioning. 'Come, come now,' said the other, 'you are never long enough in the church to pray.' 'Well, you see,' the shabby old man went on, 'I cannot pray a long prayer, but every day at twelve o'clock I just come and say, "Jesus, it's Jim" and wait a minute and then comes away. It's just a little prayer, but I guess He hears me.'

When Jim was injured some time later and taken to hospital, he had a wonderful influence in the ward. Grumbling patients became cheerful and often the ward would ring with laughter.

'Well, Jim,' said the sister to him one day, 'the men say you are responsible for this change in the ward. They say you are always happy.' 'Aye, sister, that I am. I can't help being happy. You see, it's my Visitor. Every day He makes me happy.'

'Your visitor?' The sister was puzzled. She always noticed that Jim's chair was empty on visiting days, for he was a lonely old man, with no relations. 'Your visitor? But when does he come?' 'Every day,' Jim replied, the light in his eyes growing brighter. 'Yes, every day at twelve o'clock He comes and stands at the foot of my bed. I see Him and He smiles and says, "Jim, it's Jesus".—William Aitken
