

St. Andrew's Online Church Directory

We are excited to announce our new online church directory is almost ready! We are in the final stages of populating and testing the directory. It contains most members, staff and some active friends of St. Andrew's. In a few weeks this page will provide a link to the new directory. The directory is password protected and will only be available to members of our church family.

To learn more about the directory please view this short video <https://youtu.be/elgRhTclWHc>

If you have any questions about the directory, contact Bill Hall at churchdirectory@standrewskw.com .
