Dear Friend,

PEARLS for Teen Girls is excited to invite you to be part of our **10th Annual Women Inspired to Lead** event. This is an evening of inspiration and empowerment to celebrate our past, present and future women leaders.

Jennifer Buffett, Co-President of New York's NoVo Foundation will be the keynote on this special night. NoVo supports one of the most powerful and untapped forces on the planet: girls. Working systemically, they invest in the world's largest under-valued asset by Advancing Adolescent Girls' Rights in the U.S. and Global South.

The success of past Women Inspired to Lead events is greatly credited to our sponsors, who lend their names and financial support to help make the evening so powerful. The money raised supports the PEARLS mission of improving the quality of life for Milwaukee girls and strengthening the community one girl at a time. We believe that one girl has the ability to shape the nation. With your support we are able to help fill the community with young women committed to being their best selves and our future leaders.

We have four levels of sponsorship. You can select the level of participation that best meets your needs and be secure in the knowledge that your sponsorship will be used to help PEARLS lead impactful programming for all PEARLS girls.

At the event, we will honor our past with some of Milwaukee's most inspiring women, our present with Jennifer Buffett and our future—our PEARLS girls. Through all their stories, we will learn about what inspires them to become leaders and encourage leadership in those around them.

We are counting on your support, and are happy to answer any questions you may have about the various sponsorship opportunities. Please return your sponsorship commitment form to Margaret Puissant at the PEARLS office, complete online registration at www.pearlforteengirls.com/WITL18 or email to Margaret.puissant@pearlforteengirls.com. Thank you in advance for your willingness to support this important event and your dedication to empowering young women in the community.

Sincerely,
