MODULE REGISTRATION:

I will attend classes located in _____. Class locations at a site are sometimes subject to change; I will check with the Area Coordinator for details.

I will notify the MHTP Operations Office at the above address and the Area Coordinators concerned if I must change locations for a Module. I will register for my Modules Online (<http://www.mhtp.org/mhtp-module-registration-form/>) OR send a Module Registration Form to the Operations Office to arrive no less than 30 days before each scheduled Module. I understand that Module Registration is NOT directly connected to Tuition Payment.

TUITION PAYMENT PLAN/AGREEMENT

Please note: All of the fees below include the materials fee of \$10 per Module.

If I have tuition reductions as per my Student Tuition Summary, I will contact the Financial Administrator (Chantel Tavares: 954-482-2802, chantel.tavares06@gmail.com) **to arrange payment for those particular modules. I may make my regular Tuition Payments Online at the MHTP website:** <http://www.mhtp.org/purchase/>

Basic Payment Plan: I will make 5 tuition and Materials Fee payments every two months, so that MHTP receives the payment on each of the 5 dates below. The first payment must be made before I take my first Module. \$460.00 each for Modules 1-4; \$565.00 for Module 5. Any tuition reduction can be deducted from the appropriate payment. If my payment is not received at MHTP as agreed below, I will be assessed \$5 per day that it is late.

Date: _____

Date: _____

Date: _____

Date: _____

Date: _____

Two Payment Plan: By agreeing to pay in 2 payments, I receive a \$105.00 tuition reduction. I will make 2 tuition payments 4 months apart of \$1150.00 each, which includes Materials Fees. Deduct any tuition reductions from the appropriate payment.

Enclosed is Payment #1 of \$1150.00 (or appropriate amount minus reductions awarded for Modules, 1, 2 or 3)
Payment # 2 Date: _____

Ten Payment Plan: I will make 10 payments in 10 consecutive months, one per month on the first of the month as noted below. The payment is \$255 if no tuition reductions are awarded. Tuition reductions are applied to appropriate payments. The 10 payment plan adds \$100 to the tuition cost because of administrative costs. One \$255 payment must be received by MHTP before the date of the first Module. Initial payment date: _____ If my payment is not received at MHTP by this date, I will be assessed \$5 per day that it is late.
