Challenges:

1. Some students in kindergarten do not have sufficient documents while preparing their document in paper files.
2. Besides being supported by Riverkids' program, our clients usually find other support from other NGOs. If they can find more support than Riverkids , they will drop out from Riverkids. They sometimes neglect to give further information to us.

 Yes, attached as _____ (file name)

Next Month

Please briefly describe activities planned for next month:

1. Cooperate with Micro business team to update women training's information and assign new Id for them.
2. Work with each unit to review client's information and statistic and send to Singapore office.
3. Prepare paper file for clients in English class at Blum Project.
