## SKILLS

Energetic, creative designer and coordinator with the ability to develop ideas and create visual form in response to communication problems.

## SOFTWARE

Trained on Macintosh & PC computers, Experienced in Adobe Illustrator, InDesign, Premiere and Photoshop.

Working knowledge of Adobe AfterEffects, Muse and DreamWeaver.

## EXPERIENCE

**Revolution Messaging** | Junior Graphic Designer  
June 2016 - Present, Washington, D.C.

- A full-service creative agency for political campaigns that lead to action. Clients include Bernie Sanders, Kamala Harris, UltraViolet, MoveOn.Org, and Andrew Gillum.
- I create rapid response graphics, build banners, design microsites, produce protest signage, and develop logos.

**The Millworks** | Art Gallery Intern  
February 2016 - May 2016, Harrisburg, PA

- Eatery & beer garden featuring an art gallery that supports local growers and artists.
- I conversated with patrons about the monthly featured exhibit and educated them on the thirty one regional artists that have studios inside the Millworks.

**Foxx Media Group** | Production Designer  
April 2014 - April 2016, Lake Havasu City, AZ

- In-house media company located in Lake Havasu City, Arizona that produces and distributes three monthly publications to Mohave County, the largest county in Arizona.
- I designed article layout spreads, contributed to front & back cover design, built client advertisements, and executed print deadlines.
