Dear Trinity Members and Supporters,

Trinity is entering a new phase and your Vestry anticipates your participation and financial support more than ever. As you know our Rector of the last 10 years is retiring. We will celebrate our shared ministry with Rick and seek new spiritual and parish leadership.

Such times call for spiritual renewal, fostered by refreshed events: interpersonal and program.

Please pray and then act upon a decision to financially support your parish. This time of transition offers a golden opportunity for Trinity to position itself to meet the pent-up demands for spiritual and social engagement as well as renewed children and youth involvement. We are a people who care for each other, committed to prayer, mission and outreach.

We do not have a moment to lose. Your Vestry, along with others responding to God’s call, will strengthen Trinity’s worship and programs, thereby attracting strong future leadership.

Please know that your finance team and Vestry are considering a “stretch” budget for 2022, in order to both restart and reinvent programs as well as make us attractive to a large pool of rector candidates. Let us together achieve a significant increase in pledge dollars and make this possible. There are both people and resources to meet this challenge. Will you be one of those people?

Make Trinity your charity of choice in 2022. Every single person who relates to Trinity is an important voice as we journey forward. Additional funding through your generous giving will allow Trinity to renew nourishing activities, outreach and stewardship of our physical assets—all of these bring people together. More detail is forthcoming. If you have any questions about the budget, or would propose ideas to improve the Vestry’s understanding of parish needs, please do not hesitate to contact any member of the Vestry.

After prayerful consideration, please complete your pledge card and either turn it in with the enclosed envelope or go online at trinitysolebury.org/pledge to make your contribution. It is essential that these pledges be received no later than Thanksgiving 2021!

Trinity has been set behind because of Covid and other influences causing decline in recent years: this is your opportunity to help us “leap forward.” We can only do this if you “step up.”

Now is our time. We are God’s people.

Your Wardens and Vestry
