Trinity Solebury 28th Annual Lobsterfest – JUNE 8, 2024

**PICK-UP & PICNIC EVENT**

May 4th, 2024

On Saturday, June 8th, 2024, Trinity Episcopal Church Solebury is celebrating our **28th Annual Lobsterfest**. This year, the event will once again be a *take-out event with curbside pick-up*, along with a *seating area for picnic-style gathering*, as well as our famous lobster and rib dinners with all the fixings. An on-line auction will also be offered again this year. Lobsterfest is the major fundraising event supporting Trinity’s Partners in Mission. We again welcome your support in order for this event to be a success.

Lobsterfest will be our only major sponsor request this year and all proceeds from this event will be used exclusively to support our numerous local and regional mission partnerships, including Mission Philadelphia. In the past, your sponsorship has enabled us to provide funding for these important outreach activities including:

- Bucks County Opportunity Council, an organization providing critical community services from food and wellness support to services that help to lift families out of poverty
- Delaware Valley Food Pantry, is the largest, longest, volunteer driven area pantry that addresses local food scarcity and personal needs
- Fisherman’s Mark, Lambertville, an organization focused on community stability, health and wellness

This is also the 28th year of Mission Philadelphia, our annual service initiative, and your support will enable our youth, young adults, and adults to spend part of a week focused on urban farming in the North and West Philadelphia corridor. Trinity participants, in partnership with young adults from The African Episcopal Church of St. Thomas, work side by side with North and West Philadelphia individuals, youth and families during the week, fostering important leadership development and environmental education in underserved urban communities.

Attached are the various levels of sponsorship opportunity. Along with the provision of lobster or rib dinners comes an opportunity for local community advertisement. One is an ad or personal placement/note in a *Digital Commemorative Program Book* that will be emailed to all Lobsterfest dinner purchasers. In addition, your name/company will appear on the *Trinity Episcopal Church Solebury website*, ongoing recognition in the weekly church bulletin, social media and inclusion in our *Lobsterfest invitation mailing*, which will be distributed to thousands in our community. Additionally, there will be opportunity for day-of physical advertising.

Your financial support is greatly appreciated and necessary. With your help we can do the important work, local and beyond, we believe our church mission calls us to do. We are happy to offer this fun annual event to the community in both a curbside-pickup and new picnic-style format, with live music, kid’s activities, and concession stand. Please join us!

Thank you!!

Erin Jones, Amanda Burd, Stephen Wilson, John McNeill, & Beck Simon - The Executive Lobsterfest Team
