

## Gymnastics Certified Coaches

If you have a passion for making a difference in the lives of kids through sport, join the coaching team at Delta Gymnastics, where we just don't build athletes; we build people!

We're a supportive, tight-knit team that works together to bring out the best in each child – and each other, with on-going coach development and mentoring. Enthusiastic, hardworking and dedicated, we also love to have lots of laughs!

Our coaches are the professionals who are key in developing and maintaining the high quality of the developmental, community, outreach and advanced programs we offer at our 20,000 sq ft, state-of-the-art facility and in our neighbouring community.

We believe our club culture is one of the reasons we're one of Canada's top gymnastics clubs. If you'd like to be part of it, we have part and full-time coaching positions available.
