Alliance for Historic Wyoming (AHW) is hosting a lot of community events in 2020 throughout Wyoming. This year we will work with 10+ communities to demonstrate that historic preservation works. It works to develop economies in communities, it works to bring tourists into Wyoming, and it works to preserve Wyoming’s important stories.

**Unbarred: Behind Bars Tour, Rawlins, May 2nd:**
This tour will provide a behind-the-scenes look at the rehabilitation of the Frontier Prison’s Historic Guards’ Quarters. Participants will learn from the experts about the process of rehabilitating a historic masonry structure listed on the National Register of Historic Places. There will also be an optional tour of the Frontier Prison.

**Unbarred: Community Halls Tour, Sheridan & Johnson County, June 20th:**
This tour of five halls in Sheridan and Johnson counties will explore the history and cultural significance of these buildings and the community groups that founded, built, and continue to use them.

**What is a Unbarred Tour?**
Unbarred tours are one-day events of various historical sites and settings around the state, many off the beaten path.

**Historic Preservation Month:**
During the entire month of May, communities across the state will be hosting activities to celebrate historic preservation. A city or county nominates a business located in a historic building and works with the owner to host an event to highlight how historic preservation works with the local economy.
