Tallahassee Nights Live is not just a **band** but a **production!** We have a monthly sold out event in Tallahassee, FL. TNL is filled with live music and some of the best sounds of Jazz, R&B, Soul, Pop, Hip Hop, Dance, Spoken Word and Comedy.

TNL is an adult affair giving their guests the opportunity to get away from the usual club scene and be among a multitude of "beautiful people."

The event is **Multi-Cultural** and Tallahassee Nights Live offers all types of music which leaves you ultimately satisfied after every show. Each of its performers are star-studded, passionate and dedicated to giving the audience first-class entertainment.

Creator, Darius "Doc D" Baker has made a growth track beginning with his preview show on August 29, 2006 at a small venue. With the vast growth of the production, it quickly excelled to the Leon County Civic Center where the steady crowds were numbered in the mid to high capacity of **700 to 1000** guests each show! Now Tallahassee Nights Live is upgraded once again to its new location, The Moon and continues to bring the city great entertainment each month.

TNL continues to represent the beautiful city of Tallahassee, FL as we have started shows in Quincy, FL, Cairo, GA, Winter Haven at the legendary Ritz Theatre and Del Ray Beach at The Crest Theatre! With more cities in negotiation, TNL will eventually be to Tallahassee, what the Apollo Theatre is to Harlem. The world is noticing Tallahassee Nights Live!
