

## Privacy Policy of Sircle POS (the "App")

Please read our privacy policy carefully so that you understand what personal information we collect, how we use and disclose the personal information that you provide to us. If you have any questions in this regard, or you wish to have your personal information deleted from our database, please contact us at 1-866-468-5767.

We collect and use personal information including name, address, telephone number, email address, and any information automatically collected as result of your use of the App, which include but not limited to your sales figures, inventory details, and timing and frequency of your transactions. Any use of Cookies - or of other tracking tools - by this App or by the owners of third part services used by this App, unless stated otherwise, serves to identify you and to remember your preferences.

The personal information is collected for the primary purpose of providing the services required by you in your use of the App. Failure to provide certain personal information may make it impossible for this App to provide its services. We also use the information collected for the ancillary purposes of responding to queries or requests submitted by you, if any; to anticipate and resolve problems with the App; to better tailor and improve the features of the App; and to create products or services that may meet your needs.

The personal information collected you provide to us may be transferred to countries outside of the United States. By way of example, this may happen if any of our servers are from time to time located in a country outside of the US. These countries may not have similar data protection laws to US. However, except as set out in this Privacy Policy, we will not disclose any personally identifiable information without your permission unless we are legally entitled or required to do so or if we believe that such action is necessary to protect and/or defend our rights, property or personal safety and those of our users/customers etc. In the event our company, or part thereof, is acquired by another company, that company may use your personal information in accordance with this Privacy Policy.

You assume responsibility for the contents and accuracy of personal information published or shared through this App and declare to have the right to communicate or broadcast them, thus relieving us of all responsibility. In addition to collection of personal information, we may automatically collect non-personal information about you such as the type of internet browsers you use, or the version of android operating system you use.
