

**WE MAKE OUR
FOOD WITH GREAT
INGREDIENTS**

THE PRODUCE

Nearly all of the produce is grown on local organic farms using organic methods. We source our produce from the following California farms; Valdivia Family Farms in Carlsbad, Henry/Bravocado Farms in Escondido, Ocean Mist in Castroville and Simoni & Massoni in Byron.

THE GREENS

Majority of our greens come fresh picked daily from Kenter Canyon Farms in Ventura.

THE DRESSINGS

Housemade with local produce and fresh herbs and spices.

THE POULTRY

Locally sourced from Mary's Chicken and raised hormone and antibiotic free.

THE MEATS

Naturally raised Tallgrass, Meyers Natural and Certified Angus, grass fed and grain finished.

THE SEAFOOD

Wild line caught tuna and salmon purchased locally from Santa Monica Seafood...and because we know you'll taste the difference our wild line caught tuna is roasted daily for our tuna salad...no cans here!

THE DESSERTS

Provided by local farmers market, Baker Karma. Gluten free and vegan options available.

THE BOTTOM LINE

Great tasting food using fresh ingredients that are organic, all natural and locally sourced whenever possible.
