WOODLAWN

*Weddings at  
Woodlawn*

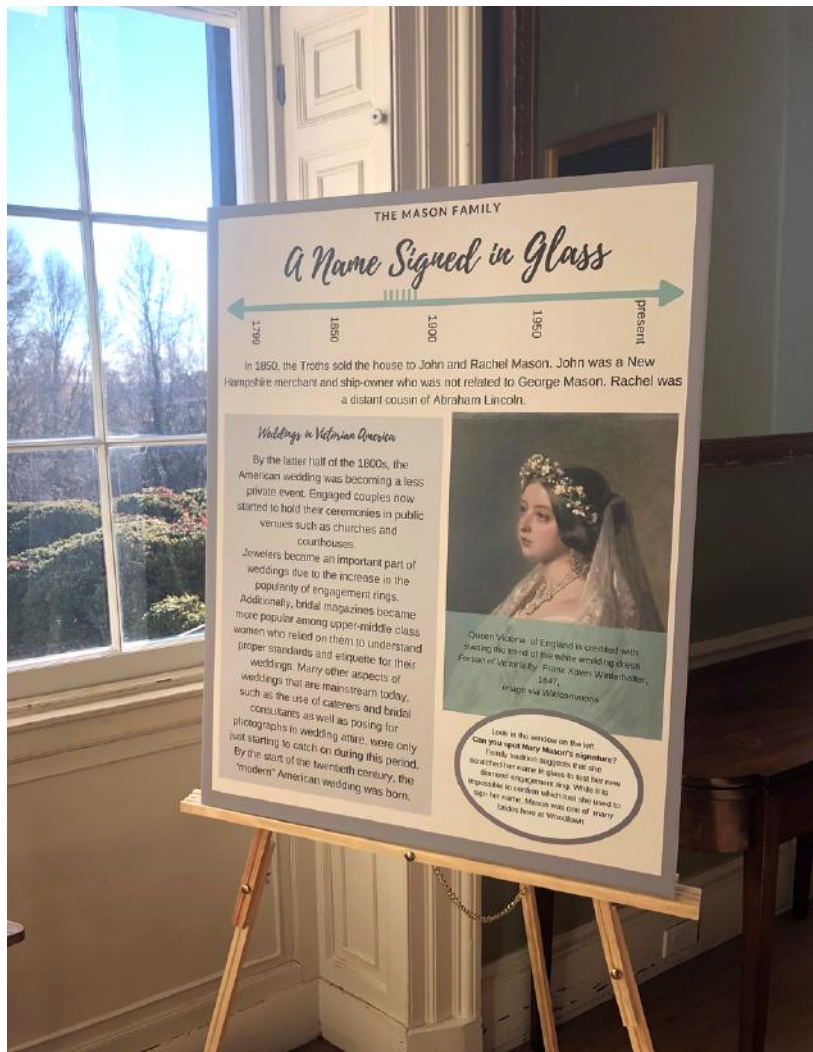

Welcome to Woodlawn! We pride ourselves in offering many outdoor locations for ceremonies, and unique indoor opportunities for photographs. We also offer two beautiful rooms inside our mansion for you and your wedding party to get ready.

We offer a special wedding-focused historical open-house tour inside the mansion during each cocktail hour, all included in the venue fee.

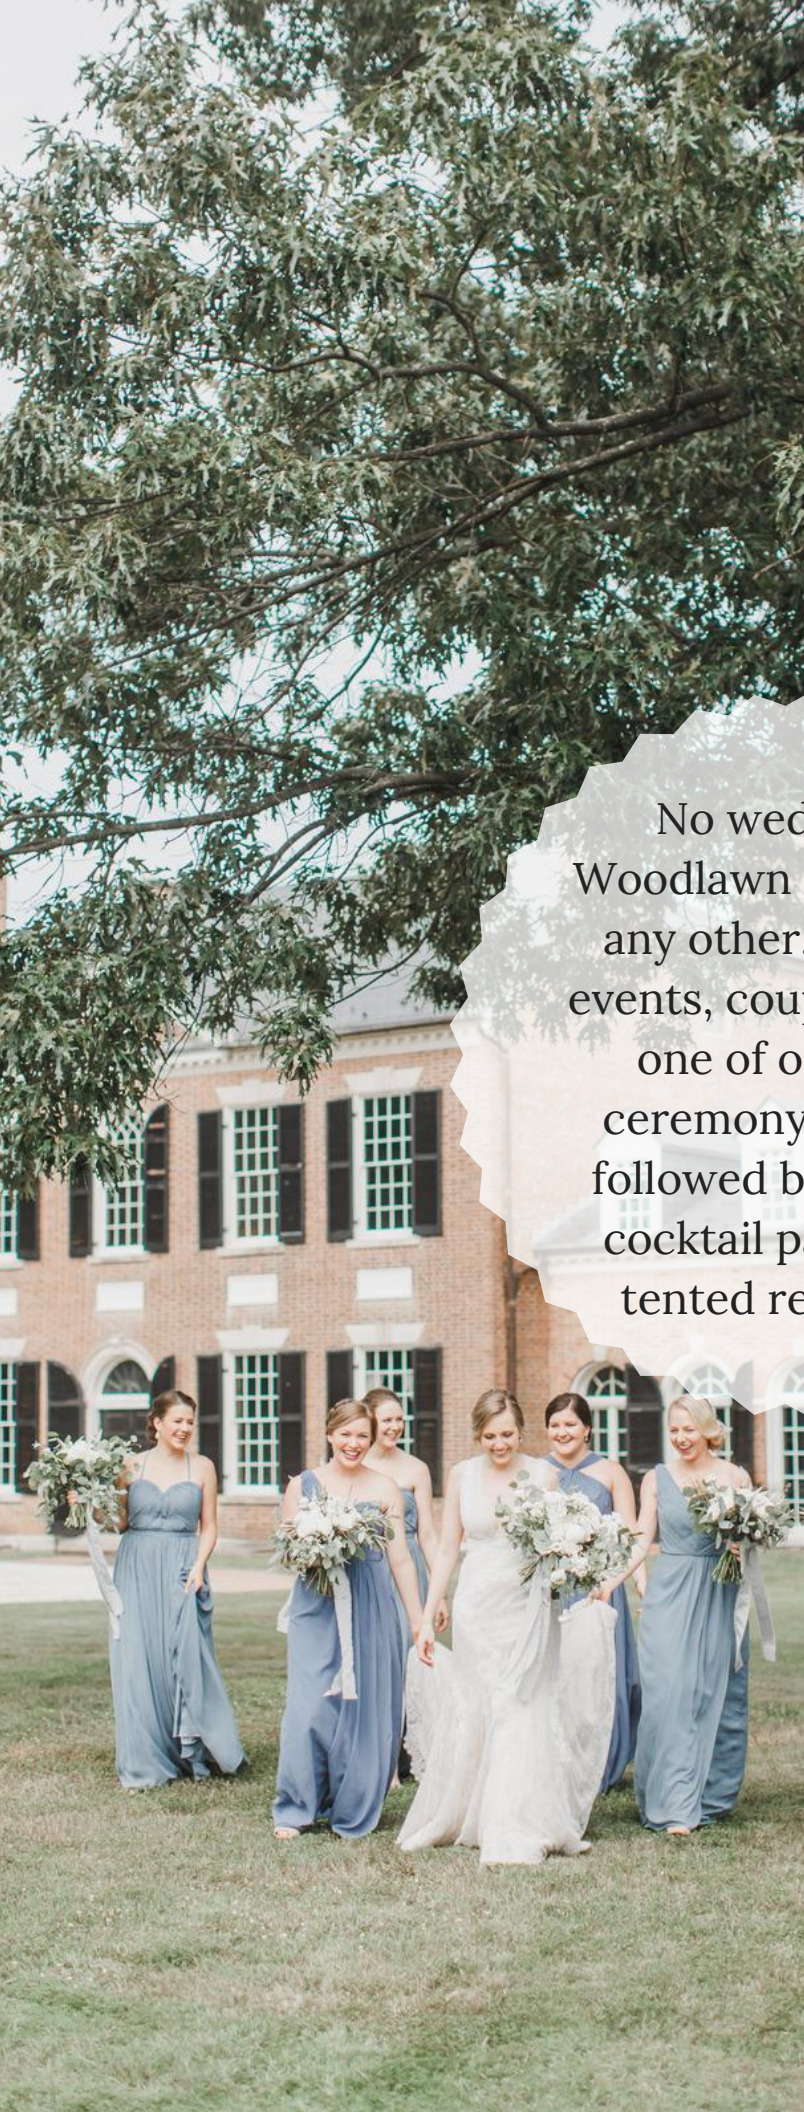

Venue staff can work with you and your photographers to help set the stage for a beautiful event.

No wedding at Woodlawn is quite like any other. For most events, couples choose one of our many ceremony locations followed by a garden cocktail party and a tented reception.

Just two of our stunning ceremony locations.

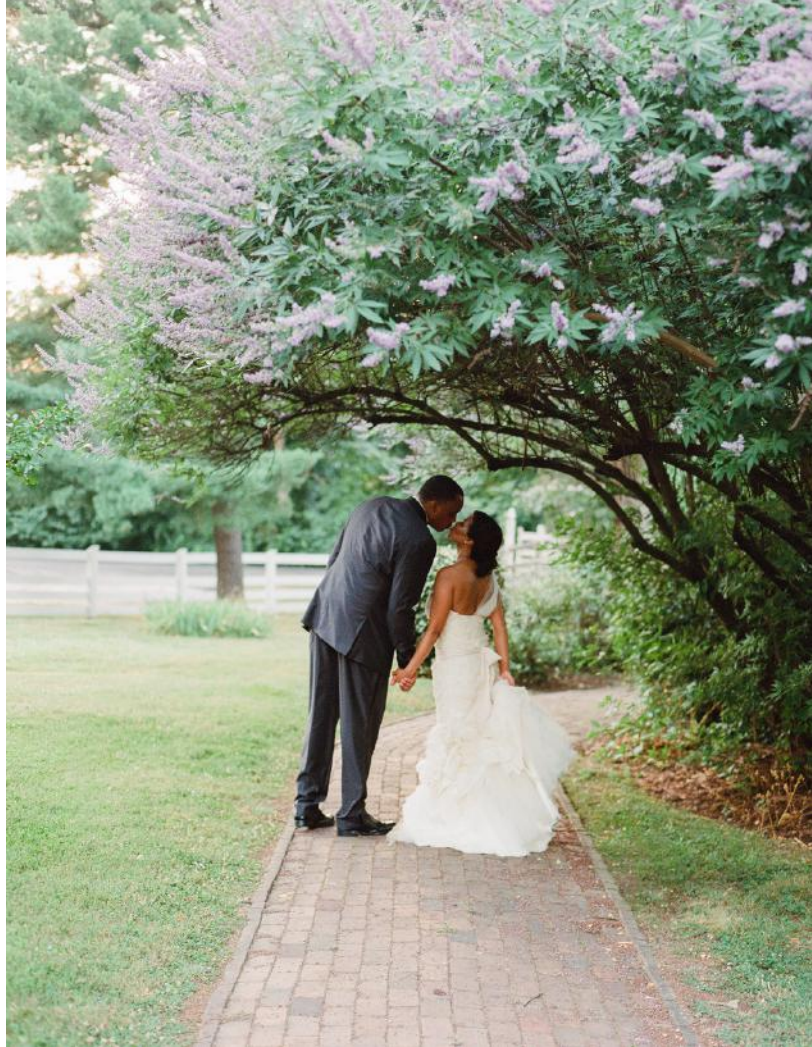

The Woodlawn fountain garden is the perfect spot for cocktails - a beautiful garden filled with seasonal flowers and shade trees, string lights hung for a twinkling glow, all just steps away from the ceremony location and reception tent.

Our large property, close to downtown Alexandria, but surrounded by trees, gives wedding celebrations a secluded, exclusive feel. The event space offers a perfect backdrop for occasions of all sizes and traditions.

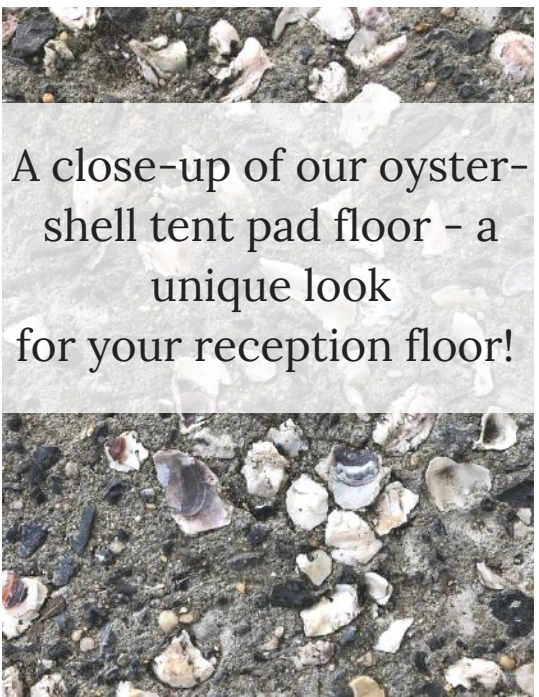

The Woodlawn event space includes a permanent oyster-shelled tent pad, which provides the perfect solid surface for your evening's events. Our luxury tent, which is installed on the property from April to November, includes fully installed chandelier lighting, draped tent liner, and sides that open up.

This tent can seat up to 250 for a reception, and the possibilities for floor plan arrangement, decor, furniture rentals, and other vendor additions are endless.

A close-up of our oyster-shell tent pad floor - a unique look for your reception floor!

Our luxury tent provides the perfect space for a catered reception, rain or shine.

**FRANK LLOYD WRIGHT'S  
POPE-LEIGHEY HOUSE**

We also host a limited number of intimate celebrations at our small but popular Frank Lloyd Wright-designed gem, the 1940-era Pope-Leighey House. The house itself can hold small ceremonies (under 20) but when tented, the back garden can accommodate 80 guests, with the inside of the house open for tours for an additional fee.
