**WHAT:** We have lost this battle but we will win the war

**WHO:** MARTA Army [www.martaarmy.org](http://www.martaarmy.org)

**WHEN:** Friday, February 26<sup>th</sup>, 2016

**WHERE:** MARTA System

The MARTA Army regrets that voters won't be asked about expanding MARTA this year. Although the Army does not endorse specific bills, plans, or modes, we support a vision for world-class transit for the Atlanta Area. Over the last six months, we have held events throughout the region, from Forest Park to Roswell, recruiting more than 250 soldiers to adopt bus stops. They have placed laminated signs at their adopted bus stops with route information, schedules and maps. These volunteers have shown there is a real desire for world-class transit in the Atlanta region.

### **About MARTA Army**

The MARTA Army is a grassroots organization engaging citizens across the region to improve the MARTA ridership experience in their own neighborhoods. We are fully independent from MARTA and we have an excellent working relationship with the transit agency that serves 440,000 riders each day.
