

Printable LABEL SIZE GUIDE

Wondering which bottles work with your labels? We're here to help! Print this page, find your label size, & cut it out. Take the sample with you wine or champagne shopping and test how the label lays when placed against the bottle. Look for smooth bottles with a body taller than the label. For more tips on selecting your bottles, see our [Bottle Fitting Guide at <http://www.labelwithlove.com/bottlefitting>](http://www.labelwithlove.com/bottlefitting)
