LEAN TOWARD THE LIGHT

A Solo Piano Album Release Concert by Travis Stright

Inspired by his time under the sea and in the air as a diver and pilot, Travis composes ethereal music that gives voice to enigmatic emotions. His reflective songs connect us to ourselves and to one another by telling a story of compassion and delicate presence.

TICKET: \$ 20

PREORDER CD: \$ 15

ACCEPTING DONATIONS TO KEYS 4/4 KIDS

Tickets available at www.TravisStright.com and at the door.
CDs will be on sale at the concert and on iTunes May 21st, 2017.
A complimentary champagne reception and CD signing will occur in the lobby after the performance at approximately 3:45pm.

Twenty percent of sales from this concert, plus your additional donations, will go to *Keys 4/4 Kids*, a charity that re-purposes donated pianos in ways that inspire hope, promote the love of music, provide educational opportunities and empower creative expression.

Specifically, your donations will sponsor an "**Ellen Project**" to connect children with music and art by delivering a piano and paint supplies to the **Children's National Medical Center** in DC. With your support, this Ellen Project will provide hope and inspiration to children and their families.
