Clinical Integration

BASTYR UNIVERSITY  APRIL 2015
JENNIFER JOHNSON, ND
CLINICAL ASSOCIATE DEAN SCHOOL OF NATUROPATHIC MEDICINE
Overview

What is Bastyr doing?

◦ Overview of school

◦ Identifying where core theme of Interdisciplinary Integration occurs

◦ Overview of didactic integration

◦ Overview of clinical integration
Bastyr Mission and Vision

Our Vision
As the world's leading academic center for advancing and integrating knowledge in the natural health arts and sciences, Bastyr University will transform the health and well-being of the human community.

Our Mission
We educate future leaders in the natural health arts and sciences. Respecting the healing power of nature and recognizing that body, mind and spirit are intrinsically inseparable, we model an integrated approach to education, research and clinical service.

Core Themes
Academic Achievement
Research in the Natural Health Arts and Sciences
Clinical Training and Community Health
Interdisciplinary Integration

   - Naturopathic Care – General med
   - Acupuncture – General med

3. Diabetes and Cardiovascular Wellness Shift – nutrition students participate on ND shift
   - Naturopathic Care
   - Nutrition

4. Counseling Shift – naturopathic students participate on counseling shift
Integration Projects

Integrated Case Discussion (5 meetings quarterly) – lunchtime meeting
- Open to all clinical students/supervisors
- Case brought to the group for open discussion
- What discipline may be most indicated?

Integrated Case Conference – evening event
- 3 per year
- Open to the public
- Panel discussion (providers: ND, AOM, Psch, Nutrition, MD...)

Retrospective Case Analysis – lunchtime meeting
- Open to all clinical students/supervisors
- Honest discussion of medical errors
Summary

Lots of potential

Many informal ways to foster integration/interdisciplinary work

Formalizing learning objectives is just starting

Satisfaction surveys show room for improvement
Questions

How to foster students comfort with interdisciplinary referrals?

How to foster better interdisciplinary understanding among providers?

How well do the disciples refer to each other?
